Pricing Policy

The Salvation Army is a Christian Church and a Registered Charity, and is a non-profit organisation. The Salvation Army Furniture Re-Use Project in Perth does not actively seek grants from local, national or EEC agencies hence the need to charge for items. This is because these grants are never guaranteed long term. The project only continues thanks to the kind support and generosity of the public, together with the fair prices charged for items. Without this mix, we would not be able to continue.

However, we aim to be as much of a service to the whole Perth & Kinross Council community as possible and the prices charge reflect this desire. Currently, the following price ranges can be expected.

| | |
|-------------------------------------------------|------------|
| Sofas/Suites | £20 - £300 |
| Beds (Single/Double/King/Cabin/Bunk) | £30 - £150 |
| Bedroom Furniture (Drawers/Wardrobes etc) | £ 5 - £100 |
| Dining Tables (with or without chairs) | £10 - £150 |
| Coffee Tables | £ 5 - £ 50 |
| TV/Audio/Display Units..... | £10 - £100 |
| Desks | £10 - £ 50 |
| White Goods | £20 - £ 80 |
| Electrical Items | £ 1 - £ 60 |

We collect items for free within a 18 mile radius of Perth but will go further for a discretionary charge and if possible within our time constraints. Our delivery charges range from £5 to £20 within our main operating area and this will be adjusted either up or down depending on your location and the goods requiring delivery.

Paying for Items

We want to be as flexible as possible within our operational constraints, and so offer the opportunity to pay up for items over a 4 week period. Items can only be secured in this way with a valid current delivery address, or if keys will definitely be received within 2 weeks.

Items can be secured with a minimum refundable deposit of £5 which lasts for 1 week. If no contact or further payment has been received by the end of that week, the items will be returned to stock and the deposit retained to cover administrative costs. Provided contact/payment has been made within that week, payment can continue over a maximum period of 4 weeks. Goods can only be delivered once they have been paid for in full.

This policy is designed to help customers as much as possible, whilst ensuring we do not have furniture sitting in our warehouse for long periods of time.

Items can also be paid for on delivery by arrangement.
