Sorry, its been a while since our last e:newsletter. Well, we did say these would be irregularly sent! Anyway, quite a bit to update you on so here we go.

6th Anniversary Celebrations

On 2 July, we had a party to celebrate 6 years of ReUse work in the Perth & Kinross area. Joining us at this party were Councillor Alan Grant (Environment Convener for PKC) and MSP John Swinney (Minister for Finance and Sustainable Growth) together with senior Salvation Army staff and many customers and Social Welfare Partners in the area. We had a great celebration evening and our guests spoke in very positive terms about the impact this project has been having, and will continue to have in the future. Below is a picture of the main speakers for the evening (l to r) Councillor Grant, Project Manager Daniel Rous, Mr Swinney, Lt Cols Alison and Alan Burns (Salvation Army Regional Leaders).

Thanks to all who came to help make this party be such a success. And thanks to all those who support the project in many and varied ways who couldn't join us on the night. This project would be nothing without you all being there.

New Website and Logo

As part of our celebrations, we launched a new website and logo. Our existing logo had been in existence since the start of the project and it was felt time had come to freshen it up. A local artist/designer did us proud with the new look, heightened by a slightly different name for the project. You can see the result at the top of this newsletter. The website is looking great too, and gives us greater flexibility too. Although there is a direct address for the site, you can still access it at the old address of www.safurniture.org.uk
